Updated 1 October 2024

Who we authorise

We authorise the following types of entities:

- recognised bodies
- recognised sole practices
- licensed bodies (including multi-disciplinary practices).

First, check whether your firm or proposed entity is eligible for authorisation by looking at the [SRA Authorisation of Firms Rules](https://rules.sra.org.uk/solicitors/standards-regulations/authorisation-firms-rules/) [https://rules.sra.org.uk/solicitors/standards-regulations/authorisation-firms-rules/].

If you are a solicitor or an REL working in a new non-regulated entity, please follow our [step by step guide](https://rules.sra.org.uk/mysra/manage-account/organisation-account/step-by-step-guide/apply-become-new-non-regulated-entity/) [https://rules.sra.org.uk/mysra/manage-account/organisation-account/step-by-step-guide/apply-become-new-non-regulated-entity/].

Will you be carrying out services in your role that are subject to money laundering regulations?

If so, you will need to apply for anti-money laundering authorisation.

New legislation on anti-money laundering came in on 10 January 2020 that affects new beneficial owners, officers and managers (BOOMs) and those that switch firms.

When a BOOM applies to us for approval, we will need:

- proof that they do not have any criminal convictions that would prevent them from becoming a BOOM
- this proof to be in the form of a basic disclosure and barring service (DBS) check
- the basic DBS check to be no older than three months on the date of application.
